BRYAN MANAGEMENT SERVICES, INC.

K–12 / HIGHER ED COMPLIANCE CAPABILITY STATEMENT

MISSION

BMS helps K–12 and Higher Ed **protect funding, reduce audit risk, and strengthen documentation** through grants and compliance support. With our Technology & Innovation Partner, **Healable AI**, we deliver responsible AI enablement-including staff training, privacy first data governance, and student wellness modernization.

We support: Federal Programs | Finance | Procurement | Compliance & Controls | Student Wellness Data

CORE COMPETENCIES

GRANTS, CONTRACTS & VENDOR COMPLIANCE

- Federal and state compliance support (district-ready)
- Grant/contract setup, reporting, monitoring and closeout
- Budget allowability and expenditure evidence
- Vendor/subrecipient compliance coordination

COMPLIANCE READINESS & DOCUMENTATION

- Policies, procedures, SOPs, and controls (audit-ready)
- Documentation tracking, evidence logs and reporting
- Corrective action planning and implementation

TRAINING & WORKFORCE ENABLEMENT

- Train-the-Trainer + Facilitator Enablement
- LMS tracking + attestations + implementation playbooks

RESPONSIBLE AI, HEALTH & DATA INNOVATION *(Powered by Healable)*

- AI literacy & adoption training
- FERPA/COPPA/HIPPA data governance + interoperability
- Ethical AI + vendor screening (wellness/behavioral)

PROVEN IN AUDIT-READYSUPPORT

- Training delivered to **55+ federal agencies**
- **40+ courses** supporting compliance and readiness
- Training plus **compliance tracking documentation, and attestations**
- Support for individualized care and at-risk youth

WHY DISTRICTS CHOOSE BMS

- **Built for audit-readiness**, transparency, and public accountability
- **Sustainable capacity-building:** repeatable training systems districts can maintain long-term
- **Staff-ready processes** and evidence-ready documentation
- **Hands-on** implementation with tools, templates, and guided follow-through
